- Notes**
- 1. All dimensions are in inches.
 - 2. Maximum clamping width is 10.5 in.
 - 3. Slots are only on the front jaw.
 - 4. Holes are only on the rear jaw
 - 5. Hexagonal recess for the nuts are on the rear face of the rear jaw.
 - 6. Mounting holes for the rear jaw have been omitted for clarity. Use two carriage bolts in counterbored through-holes in the rear face to mount to your table.
